

## **Tuition 2021-2022**

La Casa Montessori School is a private school, currently with no supplementing organization. The enrollment and tuition contract is based upon a nine-month academic year. When you enroll your child in the school, you automatically enroll for the entire year and you are responsible for tuition for the entire nine (9) month period. The school cannot function any other way and continue to provide a quality educational program for students. If you leave before the end of the school year you are responsible for the full tuition for the remainder of the school year. The tuition rate that a child starts with at the beginning of the school year is the rate for the full nine month period. If a child changes classrooms during the school year the rate will remain the same until the next session starts.

### ***Application Fee***

Upon submission of the application form a \$50 application fee is due. This is a one-time, non-refundable fee. If your child is currently enrolled at La Casa Montessori School, this fee has already been paid.

### ***Materials Fee***

The materials fee is an annual fee for the school year due at the time of first tuition payment for the school year. During the summer months the material fee is included in the session rate.

### ***Tuition Deposit***

A Tuition Deposit of \$400 must accompany the contract in order to reserve a place for your child for the program chosen. The deposit will be returned at the end of the school year or you can choose to roll it over to the following school year. If the student withdraws at any time from the program prior to the end of any school year the deposit will not be returned.

### ***Tuition Payments***

Tuition is paid in nine installments beginning August 1, 2021 and ending April 1, 2022. A discount of 5% is provided for full payment of annual tuition value if annual value is paid in full by August 15, 2021. For parents having multiple children enrolled at La Casa Montessori School, a 10% discount will be offered on tuition fees for each additional child enrolled with the discount being applied to the least costly tuition rate.

Tuition does not include activity fees or field trips. There will be no reduction in fees for any days school is closed due to school holidays or emergency school closings due to circumstances beyond the school's control such as but not limited to inclement weather, flooding, epidemic, or "acts of god". There also will be no reduction in fees for any days a student is absent during the school year due to illness or family vacations. For complete Tuition Policies and Fees including Discharge Policies and Procedures, please refer to the Parent Handbook.

### Lunch and Snacks –

**Organic hot lunch:** The organic hot lunch program is included in the tuition. Students are welcome to bring a home-prepared lunch if they choose. The personal choice to bring a home-prepared lunch and not participate in the hot lunch program does not provide a reduction in tuition. Please note if your child chooses to bring their own lunch they will not be allowed to use the school refrigerator or microwave. Please place an ice pack in your child's lunchbox if items need to stay cool or place food in an insulated container if you want it to stay warm. Please review the handbook for more information regarding home-prepared lunches. Thank you.

**Snacks:** Snacks are provided in the morning and afternoon. The annual snack fee for the school year is \$300 for full time students and \$200 for after school students. The snack fee is due at the time of first tuition payment for the school year. Students are welcome to bring a home-prepared healthy snack if they choose. The personal choice to bring a home-prepared healthy snack does not reduce or eliminate the annual snack fee. During the summer months the snack fee is billed separately per session.
